

**June is  
Perennial Gardening  
Month**

**Benefits of June Plantings**

- June is a great time to find more mature plants for your landscape.
- June is a prime month to find your palette of color and your choice of plant material.
- June is a super time to discover new perennials and old favorites.
- June is a good time to plan for extensive fall color in your garden.
- June plantings can be enjoyed for three months, well into the fall.
