

We're Gardeners, Just Like You!

Fall Seminars and Events 2018

As always, our seminars are fun and informative; watch for more details on each one at www.knollwoodgardens.com or in our email newsletters. **Please call to register at 937-426-0861.**

Saturday, August 29, 10:00

Love Your Lawn Again

Is your lawn less than luxurious? Grayer than green? Join John Scott to learn how the past season has challenged our lawns and the steps need to revitalize and invigorate. An action plan for beating the weeds and best timing for grass seed will all be discussed; plenty of time for questions, too! Please call to register.

Bonus: Attendees enjoy 20% Off Grass Seed immediately following the seminar.

Saturday, September 1 10:00

Workshop: Wine Bottle Succulent Planter

Create a unique and stylish succulent arrangement in a glass winebottle. This cute and easy project makes a perfect gift, and sits nicely on a windowsill, desk, or table. All supplies included for \$20. **Space is limited and pre-registration by phone is required.**

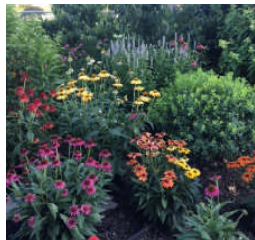

Saturday, September 8, 10:00

Workshop: Paint-and-Pot

Bring your imagination: Decoy Art Center is joining us for a morning of fun painting pots and saucers: they can coach you through simple designs or more detailed images! Afterwards plant your pot from a selection of fun plants! All supplies included for \$30.

Space is limited and pre-registration by phone is required.

Saturday, September 15 10:00

It's Fall: Now What? Perennial Selections and Care

Our friends at Smith Gardens, one of our favorite perennial suppliers, will be here to show-and-tell their favorite fall perennials to keep your garden blooming for another season, as well general perennial care tips for transplanting, dividing, pruning and more. Bring your questions! Please call to register.

Saturday, September 22, 10:00

Creating a Native Landscape

Native trees and shrubs are ones which naturally occurred in a given area. They therefore are well suited to the climate and help maintain diverse and healthy environment. They are also beautiful, desirable additions to your landscape Rich Pearson will inspire you to add some of his favorite specimens. Don't miss this one! Please call to register.

Saturday, September 29 10:00

Houseplants Coming Home To Roost

Houseplants are literally growing in popularity right now; they are sprouting up all over wellness and home-decorating magazines and websites. Barb Kedler will highlight some of the unique varieties she has collected and discuss the simple steps you should take when bringing houseplants that have summered outdoors back inside. Please call to register.
