

*We're Gardeners, Just Like You!*

## **You find gardening fun and rewarding, now it's rewarding you in another way!**

You've shopped and enjoyed out fresh plants and garden goodies and we love it when that happens! To show our appreciation, we've improved and simplified our rewards program for you.

**Sign up for our new Knollwood REWARDS Program today to earn credit for all of your purchases: for each \$100 of purchases you make we will mail you a \$5 Reward Certificate, good for up to 6 months!**

Simply give the cashier the same phone number every time you shop to confirm that you're a Rewards Member and receive credit. Using only one phone number for your household will accumulate your rewards faster. You'll also receive notification of sales, seminars, and events.

- For every \$100 of purchases you make at Knollwood Garden Center, we will mail you a \$5 reward certificate.
- Sales tax, redeemed certificates, gift card purchases, and landscaping do not apply to your purchase totals.
- Certificates are typically mailed out the first week of each month.
- Any balance less than \$100 is carried forward and combined with future purchases.
- A minimum of \$100 in accumulated purchases must be made in one calendar year to be carried over after December 31st.
- Purchase totals begin accumulating the day you sign up. Previous purchases cannot be added.
- Rewards certificates can not be applied to prior purchases or house charge account balances.
- Lost reward certificates cannot be reissued.
- Sign up as one name per household to quickly reach the \$100 total.
- We are unable to combine names of family members at a later date.

\$5 reward certificates can be used toward installation purchases.

Privacy statement: We will NOT sell or give your information to any company for any reason (unless we have your permission). If you wish to discontinue your membership, you may email or call us and we will gladly honor your request.
